Statistics and Actuarial Science University of Waterloo Waterloo Ontario N2L 3G1 1
Introduction A process capability index is a numerical summary that compares the behavior of
a product Measuring Your Process Capability SymphonyTech process capability studies What
is Process Capability 1 Process capability is the long term performance level of the process
after it has been brought under statistical control In other words process capability is the range
over which the natural variation of the process occurs as determined by the system of common
causes 2 2? ???????? LSL ?????????? ?????? ???550S099 1 ????? ??? 2? Isl ??????????
