The earliest known written records of the history of China date from as early as 1250 BC, from the Shang dynasty (c. 1600–1046 BC), during the king Wu Ding's reign, who was mentioned as the twenty-first Shang king by the same. Ancient historical texts such as the Records of the Grand Historian (c. 100 BC) and the Bamboo Annals (296 BC) describe a Xia dynasty (c. 2070–1600 BC) before the...

An Intellectual History of Modern China Cambridge Modern China Series is the only comprehensive book in English on modern China's intellectual development from the nineteenth to the end of the twentieth century. While existing studies tend to focus on individual Chinese thinkers, this book includes all the major Chinese thinkers as well as political figures who have influenced China's modern history. Cambridge Modern China Cambridge Modern China Series are becoming integrated into the daily lives of many people in professional, recreational, and education environments. An Intellectual History of Modern China Cambridge Modern China Series are not only an intellectual history of modern China Cambridge Modern China Series, but they are also history of china wikipedia the earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty (c. 1600–1046 BC) during the king Wu Ding's reign who was mentioned as the twenty-first Shang king by the same An Intellectual History of Modern China Cambridge Modern China Series.
