7 Ways to Improve Communication in Relationships Update 2019 

The Importance of Communication “It is the encounters with people that make life worth living.” Guy de Maupassant. We all have a strong need for connectivity and belonging. Interpersonal communication is an exchange of information between two or more people. It is also an area of study and research that seeks to understand how humans use verbal and nonverbal cues to accomplish a number of personal and relational goals. Generally, interpersonal communication research has contributed to at least six distinct categories of inquiry: 

1. How humans adjust and adapt. 
2. Interpersonal communication and relationship dissolution. 

The interpersonal communication that occurs during a relationship deterioration looks to explain the possible why behind the relationship breakup.
