and understand that conflicts stem from ineradicable human qualities and are related to
situations of interdependence scarce resources and perceptions of incompatibility 8 they might
readily accept conflict and recognize its values — provided that is they are properly aware of
conflict management and the need to find a solution The Relationship between Poverty Conflict
and Development poverty as a result of lack of human needs lead to reactions that result in
conflict The human needs theory championed by Burton ibid argues that there are conflict and
instability in developing countries because people are denied not only their biological needs
but also psychological needs that relate to growth and development Dreaming in Christianity
and Islam Culture Conflict and Dreaming in Christianity and Islam the first book to explore
dreaming in these religions through original essays fills this void The editors reach a plateau by
focusing on how studying dreams reveals new aspects of social and political reality Types and
