Contemporary Introduction To Sociology Culture And Society In Transition

FREE

Sociology is the study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. While some sociologists conduct research that may be applied directly to social... Sociology Wikipedia

CONTEMPORARY INTRODUCTION TO SOCIOLOGY CULTURE AND SOCIETY IN TRANSITION

Author: Jessika Krger

This article discusses the gendered nature of politics as practice and political science as an academic discipline. It studies the sex typing characteristic of most institutions in the modern world and describes how gender shapes the ways people organize think and know about the world. The article then identifies the changes that have occurred in politics and political science over the
