Technology Wikipedia

The use of the term technology has changed significantly over the last 200 years. Before the 20th century, the term was uncommon in English and it was used either to refer to the description or study of the useful arts or to allude to technical education as in the Massachusetts Institute of Technology, chartered in 1861. The term technology rose to prominence in the 20th century in Education reform Wikipedia.

Education reform is the name given to the goal of changing public education. Historically, reforms have taken different forms because the motivations of reformers have differed. However, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs, i.e., student achievement.
