This comprehensive guide to the brain development of children from 0 to 6 years is packed with insightful tips and important facts every parent should know. Brain Development of Children from 0 to 6 years – Facts every parent should know. Writers and Editors Narrative nonfiction. Like a novel, narrative nonfiction imposes structure, theme, and subtext to events, place, and character. Unlike novelists, authors of narrative nonfiction must live with the fact that real people and real facts seldom conform very tidily to these conventions.
