The Departmental Guide and Record Book for Student Outcomes Assessment and Institutional Effectiveness 2000

judaism has always found meaning in the sacrificial rites called avodah or service in hebrew for more than twelve hundred years beginning with the mishkan the tabernacle in the sinai wilderness and continuing through both the first and second temple periods animal sacrifice was the principal form of communal service of god for the jewish people this all came to an abrupt end with the destruction of the second temple by the romans in 68 ce and the jewish people turned to prayer as their primary mode of worship from this perspective it might seem that the study of leviticus which is largely about the laws of sacrifice would seem unnecessary if not irrelevant for young children nothing could be further from the truth leviticus is replete with important life lessons for children ranging from not bearing grudges to being truthful in business from the responsibility to care for the poor to the obligation to strive to be holy we find everyday aspects of one s life as opposed to limiting this to rituals and religious celebrations throughout the book leviticus emphasizes the dignity of human beings and what this means for our personal interactions with one another it can and ought to be taught in an age appropriate manner to young children and that is what this book strives to do
