the best selling dark space series the universe is darker than we thought lucien ortane is a paragon in the etherian empire his job is to explore the universe and spread etherian doctrines of peace justice and immortality to sentient beings everywhere like all paragons and most citizens lucien believes that etherus the benevolent ruler of the empire is exactly who he claims to be the one true god and creator of the universe but not everyone is a believer the academy of science circulates a petition to send a mission to the cosmic horizon and learn the true nature of the universe over a billion people sign it and etherus grants their request but with a dire warning evil is lurking in the dark undaunted by this warning three hundred million scientists from the academy prepare to leave the empire on what will be the longest and most incredible journey in history a small group of paragons also join the mission each of them for their own reasons lucien ortane tells himself that he s going in order to settle other people s doubts and to keep a bunch of hapless scientists safe after all he s a paragon one of etherus s most faithful servants yet even the faithful have doubts is the universe infinite does it have an edge is it shaped like a sphere or connected like a torus did it need a creator or does it cycle endlessly god unto itself these are the questions that the academy is trying to answer but the answers they get could be their undoing god or not etherus was telling the truth about one thing evil is lurking in the dark always make em pay in the aftermath of the battle of kublar and the destruction of the battleship chiasm legion dark ops recruits chhun wraith and the survivors of victory company to form an elite kill team of legionnaires their secret mission is as
